# The classroom experience. *Everywhere, anywhere.*

Building Careers Through Education

- Collaboration and interaction at the heart of the learning experience
- Professionally experienced tutors bringing accredited course materials to life
- Unparalleled levels of support from tutors and Performance Coaches, keeping learners motivated, encouraged and on track

- 24/7 access to a library of online content
- Multiple pods enable video, audio, screen-sharing, polls, quizzes, chats, breakout rooms, simulations, Q&A, and document and web link sharing

# Learn. Return. *Do.*

Our practical training methods ensure your employees maximise their off-the-job development time and can apply their new knowledge and skills instantly.

## Off-the-job (OTJ) development time

- ✓ Mandatory requirement of any apprenticeship
- ✓ Learners must undertake a minimum of six hours per week in off-the-job learning, **during working hours**
- ✓ BPP monitor and track off-the-job training to ensure learners are making progress against the target

## Examples include:

- Attending BPP training sessions, workshops, masterclasses
- Practical Training: shadowing, mentoring, industry visits and competitions
- Completing assessments, assignments and work activities as part of the apprenticeship, including revision and EPA preparation
- Self-guided learning, for example online content relevant to the apprenticeship
