

Open to sharing your experiences to help improve careers education for all young people

The Careers & Enterprise Company (CEC) is looking for diverse group of young people aged 14–25, living in England, to join our Youth Advisory Group (YAG).

Whatever your background or education journey, your voice matters.

As a YAG member you will:

- ✓ Work alongside CEC to ensure young people's voices shape decisions
- ✓ Use your lived experience to challenge and influence CEC's work
- ✓ Develop your skills and access opportunities to help strengthen careers education for young people
